I Hereby respectfully URGE, the FCC to reject the NAB's petition 04-160 and fully support XM Radios ability to provide the kind of programming I demand and deserve. I pay for XM and it should be up to subscribers, not the NAB, to dictate what I am permitted to hear. My whole family and I benefit from XM Radio and it's Traffic and Weather channels, they are providing quality and variety not available elsewhere.
Thank You, Don B.
